

IPEVO Do-Cam Creator's Edition USB Document Camera

IPEVO

Features

Compact & Highly Portable

Lightweight in design offering remarkable portability, allowing you to take office visual capability out of the office, giving your remote meetings strong clear images.

SONY CMOS Sensor with 4K resolution

Delivers exceptional imagery quality with autofocus through the 8MP SONY CMOS lens, allowing your audience to engage with the visual elements, allowing you to present in style.

Versatile & Adaptable

The adjustable arm gives you extra reach for multiple viewing angles for both desk-based and webcam viewing presenting, with adjustments being quick and easy. A camera head button flips the image going from desk viewing to webcam.
